

Hednesford

in partnership

The primary aims and objectives of Hednesford in Partnership are:

To facilitate collaboration between local bodies so as to promote Hednesford as a great place in which to live, work, do business and to visit.

To combine the forces of local organisations in order to develop funding bids for community wide and specific local projects, thereby potentially attracting greater investment

To provide a transparent way for local organisations to share with each other information about the activities they are undertaking, their experiences, local intelligence and best practice.

To assist with the promotion and co-ordination of community events and initiatives (such as dementia friendly community).

To encourage individuals to volunteer in support of the work of community organisations and build a bank of volunteers.
