Any one claim endorsement

Policy Number: W27038526A
Effective Date: 25/03/2026

This endorsement modifies the Beazley Breach Response Policy and shall be read as if incorporated within it.

In consideration of the premium charged for the Policy, it is hereby understood and agreed that:

1. All references to **Policy Aggregate Limit of Liability** in the Policy shall be deleted and instead refer to **Single Loss Limit of Liability**.
2. The **Limits of Liability and Coverage** section of the Policy is deleted in its entirety and replaced as follows;

Limits of Liability

The Single Loss Limit of Liability listed in the Schedule (the "**Single Loss Limit of Liability**") is the Underwriters' total limit of liability for each **Loss**, other than **Breach Response Services**, payable under this Policy.

The limit of liability payable under each insuring agreement will be an amount equal to the **Single Loss Limit of Liability** unless another amount is listed in the Schedule. Such amount is the total amount payable under this Policy per **Loss** pursuant to such insuring agreement and is part of, and not in addition to, the **Single Loss Limit of Liability**.

The **Single Loss Limit of Liability** applies to each **Loss** incurred during the **Policy Period**. In the event of multiple, separate **Losses** at the same time, the **Single Loss Limit of Liability** shall apply separately to each **Loss**.

Where a **Loss** exhausts the **Single Loss Limit of Liability**, the Underwriters will not be obligated to provide cover for that **Loss** in excess of the **Single Loss Limit of Liability**.

Multiple **Losses** arising from the same or a series of related, repeated or continuing acts, errors, omissions or events will be considered a single **Loss** for the purposes of this Policy, and one **Single Loss Limit of Liability** shall apply to them.

Breach Response Limits

Coverage for **Breach Response Services** under this Policy is in addition to the **Single Loss Limit of Liability**.

The Notified Individuals limit listed in the Schedule is the maximum total number of individuals per use of **Breach Response Services** to whom notification, call centre and credit or identity monitoring services will be provided (or attempted) for all incidents or series of related incidents giving rise to an obligation to provide **Breach Response Services** and credit or identity monitoring services will be provided (or attempted) for all incidents or series of related incidents giving rise to an obligation to provide **Breach Response Services**.

The Legal, Forensic & Public Relations/Crisis Management limit listed in the Schedule is the single loss limit of coverage for all services and costs covered under parts 1., 2., 3. and 7. of the definition of **Breach Response Services**.

The Legal, Forensic & Public Relations/Crisis Management limit applies to each application of coverage of the **Breach Response Services** during the **Policy Period**. In the event of coverage under **Breach Response Services**, the **Loss** will be covered up to the Legal, Forensic & Public Relations/Crisis Management limit. With regard to **Breach Response Services**, in the event of multiple, separate **Losses** at the same time, the Legal, Forensic & Public Relations/Crisis Management limit shall apply separately to each **Loss**.

Except as provided in the Additional Breach Response Limits clause below, the Underwriters will not be obligated to provide any **Breach Response Services** after the number of individuals to whom services are provided under part 4. of the definition of **Breach Response Services** reaches the Notified Individuals limit listed in the Schedule. For each **Loss**, where the total number of individuals to be notified under the Policy exceeds the Notified Individuals limit listed in the Schedule the **Insured** will be responsible for notifying and providing call centre services and credit or identity monitoring services to such additional individuals in accordance with the processes described in the Cyber Customer Center on the beazley.com web site. The Notified Individuals limit applies to each **Loss** incurred during the **Policy Period**.

Additional Breach Response Limits

Notwithstanding the above section, if:

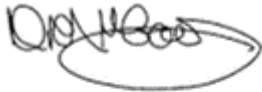

1. the total number of individuals to whom services described in parts 4., 5. and 6. of the definition of **Breach Response Services** are provided exceeds the amount listed in Notified Individuals limit listed in the Schedule; or
2. the monetary value of the services described in parts 1., 2., 3. and 7. of the definition of **Breach Response Services** provided to the

Insured Organisation exceeds the Legal, Forensic & Public Relations/Crisis Management limit listed in the Schedule;

This Policy will cover the costs, fees and expenses incurred to provide such **Breach Response Services** up to an amount equal to the **Single Loss Limit of Liability** (the "**Additional Breach Response Limit**").

All other terms and conditions of this policy remain unchanged.
