

Agenda Item 7 (PGCC)

Hi Lindsey,

Please could you add the following for discussion or recommendation by Councillors.

HTC may have a responsibility to regularly have the flagpole inspected for the internal mechanism and also for the maintenance and security of the base of the pole. The base of the flagpole at PGCC currently has some irregular movement in it. Do Councillors have any information on any previous inspections conducted at PGCC? Lynn at Hednesford Park has been contacted regarding any maintenance schedule for their flag poles.

Best wishes,

Matt

Matthew Johnson
