Subject: RE: SPAM: RE: SPAM: Request for a quote

Hi John – Nice to see you again this morning.

As discussed, our quotation to undertake a DOFF Superheated Steam Clean (Similar to the Clean undertaken on the Miners Memorial Wall in 2024) to the Engraved Brick Paviours around the Perimeter of the Gardens, and to make good any disturbed and/or defective Open Joints in a Mortar to Match the existing Mix in Colour, Strength etc. would be £1,633.50 Excluding VAT.

As per our previous works back in 2024, we will supply our own Water Bowsers and Tubs, along with our In-House Generator, to power our plant and equipment – we may just need to park our Vehicle on the Gardens or on the Pavement on Anglesey Crescent just so we can get about the Gardens themselves. The works should take 2-3 days to complete.

If you can let us know ASAP after your Council Meetings if/when you Instruct, we will make sure all works are complete and presentable in time for the Remembrance Weekend November 2026.

Our Payment Terms would be 7 Days from Date of Invoice, which would be sent through upon Completion of Restoration Works On-Site.

We trust and hope this is satisfactory and understandable, however any queries/questions please give us a call or e-mail.

Thank you.

David Timmins
